# Company Profile

PT. Bara Eksotis Indonesia is a coffee and charcoal briquette exporter based in West Java, Indonesia.

Our company was founded with a strong mission: to bring Indonesia's premium natural resources to the global market, while empowering local farmers and ensuring sustainable practices.

Under our coffee division brand, Exotic Flame, we specialize in high-quality green coffee beans sourced from the archipelago's best regions. From Sumatra to Java, our beans are carefully selected, processed, and packed with strict quality control.

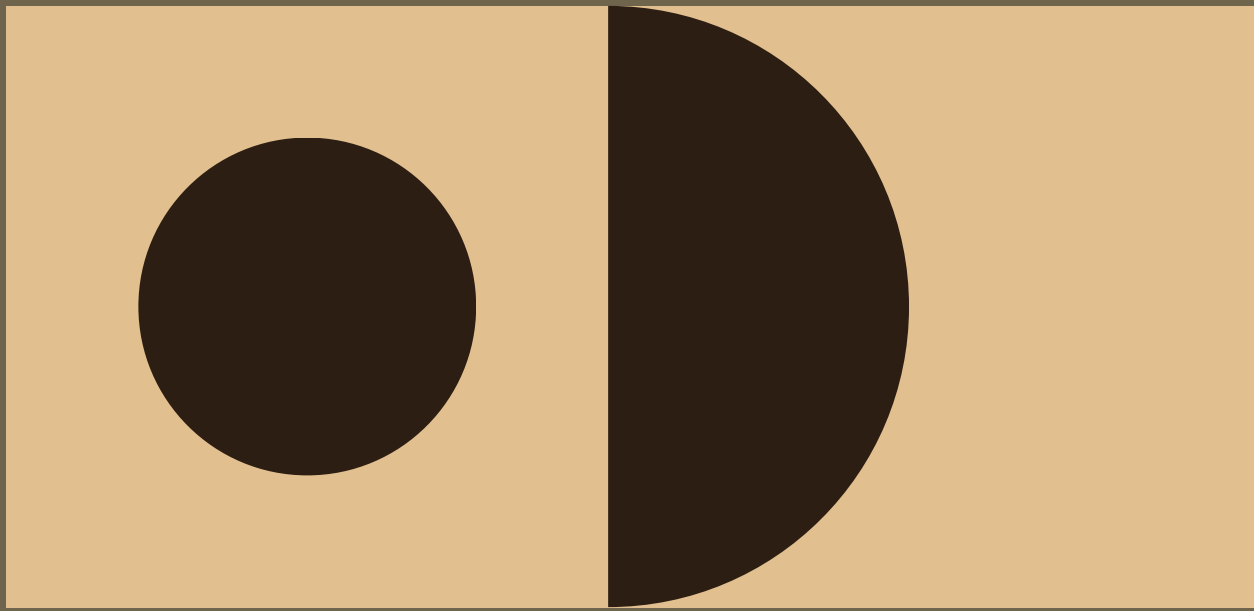

# Origin & Product Highlights

1. Arabica Kerinci : Balanced, citrusy, and clean.
2. Arabica Sungai Penuh : Smooth with medium acidity, herbal notes.
3. Arabica Karo : Rich body, chocolate and spice hints.
4. Arabica Mandailing : Full-bodied, low acidity, classic espresso.
5. Arabica East Java : Floral aroma, bright and fruity.
6. Robusta Lahat : Earthy, bold, high caffeine.
7. Robusta West Java : Nutty, clean, suitable for blends.
8. Robusta East Java : Balanced, cocoa undertones.

# Processing Methods

01

---

## NATURAL

Sun-dried whole cherries with fruity and winey notes.

02

---

## SEMI WASHED

Balanced flavor from partially washed beans.

03

---

## FULL WASHED

Clean and bright profile through full fermentation.

04

---

## HONEY

Semi-dried mucilage for a sweet and smooth cup

# Quality & Grading

We supply from commercial to specialty grade, tailored to your market:

## Specialty Grade

Coffee beans with cupping scores above 80, offering complex flavors and meeting the highest quality standards.

## Grade 1

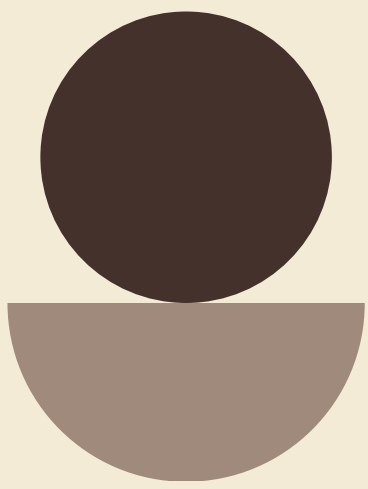

Physically defect-free green beans with tight screening, ideal for premium roasting and specialty blends.

## Commercial Grade

Budget-friendly beans with higher defect tolerance, perfect for blends, instant coffee, or high-volume use.

All beans are hand-sorted, screened, and packed in jute bag.

## Certifications

Currently in progress:

- Organic Certification
- Rainforest Alliance
- Fair Trade

**We ensure ethical sourcing, traceability,  
and work closely with farmer cooperatives.**
